

The Jubilee Yacht Club Regatta

Saturday, September 8, 2007

Jubilee Yacht Club

You just might be a sailor if...

You watch for wind shifts while mowing the lawn.

Your wife dabs West System behind her ears to get you "interested."

You luff up cars on route 128.

It's the preeminent Mass Bay qualifier of the season (at least that's how we feel about it)! Two planned races for all Mass Bay Offshore fleets, with perhaps a few other fleets thrown in just to increase the fun.

Spend the day with your crew racing on the beautiful Salem Sound, and then join family, friends, and your fellow racers back at JYC for our legendary hospitality where you can grab free food, drink, and party the summer away. Oh, and we'll hand out the awards at some point too!

The **skippers' meeting** is Friday, September 7, 2007, at 1830 in the JYC Hall where changes to the sailing instructions and other information will be announced.

The first warning for the A fleet will be at 1000 hours.

For a Notice of Race, online registration, and results: www.jycracing.org

Fleet breaks will be MBSA Offshore breaks. Additional fleets may be added depending upon entries.

Guest Moorings with launch service are available for Saturday and Sunday on a limited basis to participating yachts. Please contact John Kalinowski (603) 673-1554 for reservations.

Send your entry to:
